Plaintiffs,

v.

GARY JOHNSON, et al.,

Defendants.

MEMORANDUM OPINION
AND
ORDER AWARDING COSTS AND ATTORNEYS' FEES

THIS MATTER having been previously before the Court on the Order to Show Cause on why the State Defendants' motion to dismiss should not be granted, and the Court having entertained briefs and oral argument on January 30, 2003, it then ordered Defendants to submit an appropriate bill for costs and attorneys' fees. *See* Mem. Op. and Order of Feb. 7, 2003. Plaintiffs' counsel was granted until February 24, 2003, to respond, but in typical fashion he electronically filed a two-page response on February 25 at 3:34 a.m. This pleading contains no citation to legal authority or rational legal argument, but merely states objection "to the outrageously expensive cost

bill of attorney Luis Robles.” Also consistent with the prior practice of Plaintiffs’ counsel, he attempts to shift the burden to this Court by attempting to incorporate his “Brief on Identical Issues” presented to Judge Parker in *Torres v. Johnson*, No. CIV 02-1191 (D.N.M.). Not surprisingly, when obtained from Court files, Plaintiffs’ Opposition to Attorney Luis Robles’ Application for Attorneys’ fees and Costs in *Torres* appears to have no relevance other than involving the same defense counsel. Therefore, this Court declines the invitation of Plaintiffs’ counsel to do the necessary legal research and analysis to advance arguments for his clients. The Court awards the Defendants the sum of \$4,207.85 in each of these cases. *See generally Adamson v. Bowen*, 855 F.2d 668 (10th Cir. 1988); *White v. General Motors Corp.*, 908 F.2d 675 (10th Cir. 1990); *Schrag v. Dinges*, 150 F.R.D. 664 (D. Kan. 1993); *Williams v. Lane*, 96 F.R.D. 383 (N.D. Ill. 1982).

SO ORDERED.

Dated at Albuquerque this 10th day of March, 2003.
